Welcome to Buenos Aires, Argentina!

Buenos Aires is both the capital of and largest city in Argentina, located on the southeastern coast. It is one of the most European cities in Latin America, and many call it the Paris of South America, thanks to its French-style buildings and a large variety of plazas, fountain, and sculptures. Buenos Aires has become a very cosmopolitan city due especially to the different immigrant groups that can be found there. The streets of Buenos Aires are full of life throughout the day and late into the night, and culturally the city is considered one of the most important cities in the southern cone of South America, with several theaters featuring world famous performances and presenting artists from all over the globe.

On arrival at Ezeiza International Airport, you will be transferred by private vehicle to your accommodations at Alvear Palace.

TOUR DESCRIPTION: Half day Buenos Aires city tour

After breakfast, enjoy a half day tour of Buenos Aires. The tour begins at the site where the second foundation of Buenos Aires took place in 1581. The Plaza de Armas, now known as Plaza de Mayo Square, was the site of resonant political manifestations. It is surrounded by the Government House, best known as the “Pink House”, which is the seat of the Executive Branch, and the Cabildo, the old city hall, which dates back to 1754 and still keeps its Colonial characteristics in spite of many political changes.

Southwards, you will reach the picturesque and colorful port neighborhood of La Boca with its famous street, “Caminito”, where the architectonic characteristics and customs reflect the influence of the European citizens that came to these shores in the last years of the 19th century.

Continue to Recoleta, the most sophisticated neighborhood in Buenos Aires, where some of the best restaurants, cafes, night clubs, and boutiques are located. The Recoleta Cemetery will surprise you with its location, its varied architectural resources, and the personalities that are buried there, such as Eva Perón. Next to the cemetery is the Church of Our Lady of Pilar.

This evening, you will enjoy dinner and a tango show at the historic Esquina (corner) Carlos Gardel, the city’s premier tango house where you will discover the magic and history of this sophisticated and dramatic dance while dining in style with outstanding Argentine cuisine.
